# Dimensions of Student Engagement for Sustainability

*Behaviour*

*Exploration*

A photograph of a sunset over a desert landscape. The sun is low on the horizon, casting a warm orange and red glow across the sky. The sky is filled with scattered clouds, some of which are illuminated by the setting sun, creating a mix of yellow, orange, and blue tones. The foreground is a dark, flat desert plain with some small, dark mounds of earth. The overall scene is serene and evocative.
